

## Yaptel Regular phone Quick User Guide

You can use the Yaptel service from any phone, your home phone, work phone, mobile, or payphone.

- 1. Dial the access number from the country you are in. (See page below for a complete list of access numbers)**
- 2. Enter your Account number & PIN at the voice prompt**  
(if your phone number is registered you will not be asked for this . To save your phone number and avoid entering your account number and PIN each time – press \*2 after you enter your account number and PIN\*).
- 3. Dial 00 + country code + area code/area code + number**

**To check your account balance – Dial \*1**

**To check your voicemail – Dial \*9**

**To save your Phone number to your Account – Dial \*2 (after you validate by entering your Account number and PIN).**

\*Do not use the \*2 PIN save feature from public phones, or work place phones, where there is the potential for someone else to use your credit.
